RECORDS & RESULTS **ARCHIVE**

Every information keyed into the database via individual student profile stays there forever.

An individual can ACCESS his/her PRY1 or JSS1 results 50 years after graduation.

THIS ALSO SERVES FOR THE SCHOOL MANAGEMENT AS A **REPOSITORY FOR FIRST-HAND INFORMATION WHENEVER THE NEED ARISES.**

TRANSCRIPTS

From Overseas, an ex-student can submit a ticket **REQUESTING FOR A TRANSCRIPT**

The Portal Admin only needs to call up the student past records/results from the Database. Compile the needed information and key them into the waiting TRANSCRIPT template.

The Ex-student will download it wherever he/she is.

AUTOMATIC **BACKUP SYSTEM**

OUR ONLINE DATABASE IS AUTO-BACKED UP **offline** EVERY 2DAYS &
ONLINE EVERY DAY.

Student Results and Archive Management System

SRaAMS

BENEFITS OF SRaAMS

Online Database of students in all classes

Result upload, management, printing and quick access from anywhere in the world.

Results are archived as soon as they are keyed in.

Parents have direct access to their ward's academic performance 24/7 from anywhere using their internet enabled PC, mobile phones etc

Teachers have more time to themselves to do other things order than spending days manually entering students' results into their result booklets.

School academic calendar can be set up on the portal.

Student Results and Archive Management System

SRaAMS Pro v2.4

BENEFITS OF SRaAMS

School News, adverts, reports can be sent instantaneously to parents via SMS as Portal is SMS-enabled and parents' numbers are already captured on the database. A good substitute to sending of hardcopy letters which might not get to the parents.

Improved ICT awareness amongst students.

Closer relationship between parents and school management as emails can be exchanged making passage of information easier.

School has full control over her portal; a reliable school staff is trained by iPAGE TECHNOLOGIES LTD. to handle data management on the school portal.

Free Technical and maintenance support.

Student Results and Archive Management System

SRaAMS Pro v2.4

BENEFITS OF SRaAMS

Free **standard** website for school with customized email addresses & 1 year free hosting for school and a data based website at a reduced cost.

Online presence for the school, this serves as a way of advertizing the school. Prospective students can easily find and apply to your school.

SRaAMS;

- Automatically computes cumulative scores and grades according to figures being keyed in.
- Helps you to call-up a particular student's result at any point in time.
- Student can still view result several years after graduation.
- Rates your school higher than your competitors.
- Reduces the rate of human errors. E.g. mis-calculation of cumulative scores.
- Automatically awards remarks to student based on grades.

ALL @ **ZERO** PORTAL SETUP COST

SUBSCRIPTION

COMING ONBOARD

SUBSCRIPTION

COMING ONBOARD

TERMLY/RESUMPTION PAYMENT:

At the beginning of every term, students pay an addition of **N1,000.00** alongside their school fees. This means we charge **N1,000.00** per student every term. Proceeds shall be remitted to us latest 1 month after school resumption.

YEARLY PAYMENT:

School remits a one-off payment for a period of one year for her total number of students. This fee is **N1,800** per student per year i.e a **40% discount** from the normal terminal payment plan. The school collects her money back from the student's school fees.
